Please help our drivers to help you!

Please help our drivers by providing the correct change whenever possible.

Although our drivers do give change, they receive many requests throughout the working day. This can lead to supplies of change becoming exhausted.

There may be times when this is not possible, but do not worry, we will never refuse you travel.

It can sometimes be difficult for our drivers to know when someone wants to board the bus. Please help them by giving a clear signal as the bus approaches your stop. This is particularly helpful at bus stops that are served by more than one service.

When you wish to leave the bus, please ring the bell once and remain seated until the bus stops. Your driver will stop at the next bus stop.
